

NEW WASTE MANAGEMENT LAWS

Effective 1/1/2011, we can no longer dispose of electronic waste in the dumpsters, Regular or Recycle. This is a new State Law. Electronic waste (Televisions, Computers, Printers, Cell Phones, etc.), must be disposed of through a proper recycle forum.

We have found that Best Buy will accept these items even if you do not purchase anything at their store. There may be a fee to remove or clean the hard drive of a computer.

The county is also offering recycling opportunities several times this year. Here is the information for the county recycle program:

Collection will be held at the Para-Transit facility 1310 Route 23 North 9am-2pm on the following dates:

January 21 and 22

April 29 and 30

September 16 and 17

November 18 and 19

We will watch for Paterson City collection information as well.
